

Indiana University School of Nursing Application for Graduate Research Assistant (RA) Position

Please check the type of RA position you are applying for below: These positions must be applied for each year.

RA I: RESEARCH ASSISTANT in the Center for Research & Scholarship

Description: RAs are assigned to the Center for Research & Scholarship to provide general support to faculty engaged in research & scholarship that is consistent with the research mission of the IUSON.

Requirements: Students who are enrolled for a minimum of 6 credit hours per fall and spring in an IUSON graduate program are eligible. Student must be in good standing. RAs are required to work 6 hours per week in exchange for a maximum of 6 credit hours of in-state tuition reimbursement per semester (fees not included). Minimum commitment of 2 semesters is required; 12-month commitment preferred. RAs may be required to attend training sessions to learn to conduct literature searches, use library resources, enter data, develop and maintain reference management databases and other research-related duties as assigned.

RA II: RESEARCH ASSISTANT on an externally funded study/grant/project

Description: RAs are hired by principal investigators to work as research team members on their externally funded projects.

Requirements: Students who are enrolled for a minimum of 6 credit hours per fall and spring in an IUSON graduate program are eligible. Student must be in good standing. RAs are required to work 6 hours per week in exchange for a maximum of 6 credit hours of in-state tuition reimbursement per semester (fees not included). Minimum commitment of 12 months is required. Training will be provided by the Principal Investigator and is highly specific to RA's role on the research team. **Students applying for RA II positions are required to obtain the signature and approval of the PI before submitting this form.**
